

HBCU

Library Alliance

The HBCU Library Alliance is focused on activities that align with the "plan for the future" component of the mission statement.

The HBCU Library Alliance 9th Membership meeting will be hosted virtually on Tuesday and Wednesday, June 1-2. *So You Know Who We Are: HBCU Libraries In Full View* is the meeting theme and provides many opportunities for members and partners to connect and share experiences through conference presentations and project updates. Dr Carla Hayden, Librarian of Congress, will virtually greet and welcome the membership to a space of reflection and learning.

Sponsors are invited to support the 9th Membership meeting. Follow this link <http://hbculibraries.org/meeting-2021.html> for more information.

Applications are being received for the HBCU Library Alliance Summer 2021 Conservation/Preservation project. Now in the fourth round of funding, the project has touched the lives of students interested in librarianship or a library-related career. As we browse applications, there is a strong sense of purpose and value for materials housed within HBCU libraries. We look forward to sharing more of this great work!

Respectfully,

Sandra Phoenix, Executive Director

Help us continue the important work of HBCU Libraries.
