Hi,

This year has been different for all of us. In your own way, enjoy the season of thanks and gratitude,

Gratitude

It turns what we have into enough and more.

It turns denial into acceptance, chaos into order, confusion into clarity.

It can turn a meal into a feast, a house into a home, a stranger into a friend.

It turns problems into gifts, failures into successes, the unexpected into perfect timing and mistakes into important events.

It can turn an existence into a real life, and disconnected situations into important and beneficial lessons.

Gratitude makes sense of our past, brings peace to today and creates a vision for tomorrow.
