A Trustee may only be removed from the Board upon the affirmative vote of two-thirds (2/3) of the members of the Board present and entitled to vote at any meeting of the Board, and provided that at least ten (10) days' prior written notice is given to the Board, including said Trustee, of the intention to propose such action.

A waiver of such notice shall be in writing signed by the persons entitled to said notice, whether before or after the time for the notice, and shall be deemed equivalent thereto. Attendance at any meeting by a Trustee shall be conclusively deemed a waiver of notice of that meeting unless objection is made at the outset of such meeting to the failure to give proper notice.

2.6.4 Quorum

A quorum for the transaction of business shall consist of a majority of the Trustees in office and present at any regular or special meeting of the Board after the required notice of meeting has been given.

In performing his/her duties, a Trustee shall be entitled to rely in good faith on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by any of the following:

A Trustee shall not be considered to be acting in good faith if he/she has knowledge concerning the matter in question that would cause his/her reliance to be unwarranted.

2.8 Personal Liability of Trustees

The personal liability of Trustees shall be limited to the fullest extent allowed by law. A Trustee of the University shall not be personally liable, as such, for monetary damages for any action taken, or any failure to take any action, unless:

All Trustees have the continuing responsibility to bring all related material facts concerning a potential or real conflict of interest promptly and completely to the Board. A Trustee shall not vote or participate in the deliberation of a matter in which such Trustee has a conflict of interest, nor shall such Trustee use his/her personal influence, directly or indirectly in the matter, or be counted in determining the existence of a quorum for the purposes of any action of the Board.

A Trustee Emeritus may be invited to attend, without vote, the annual meeting and regular Board meetings.

The Trustees, upon recommendation by the Committee on Nominations and Trusteeship, may elect as Honorary Trustees those who, because of their positions and/or prestige and their long service to the University, will bring honor upon the Board of Trustees and its purposes. 5.1.1 Third Party Actions

The University shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the University) by reason of the fact that he/she is or was a Trustee, officer, employee, or agent of the University, or is or was serving at the request of the University, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit, or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in, or not opposed to, the best interests of the University, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his/her conduct was unlawful.

The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner which he/she reasonably believed to be in, or not opposed to, the best interest of the University, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his/her conduct was unlawful.

5.1.2 Derivative Actions

The University shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the University to procure a judgment in its favor by reason of the fact that he/she is or was a Trustee, officer, employee, or agent of the University, or is or was serving at the request of the University, as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with the defense or settlement of such action or suit if he/she acted in good faith and in a manner he/she reasonably believed to be in, or not opposed to, the best interests of the University; except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his/her duty to the University unless and only to the extent that the Court of Common Pleas of the county in which the registered office of the University is located or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnify for such expenses which the Court of Common Pleas or such other court shall deem proper.

5.1.3 Procedure for Effecting Indemnification

Unless ordered by a court, any indemnification under Section 5.1.1 of these Bylaws (relating to third party actions) or Section 5.1.2 of these Bylaws (relating to derivative action) shall be made by the University only as authorized in the specific case upon a determination that indemnification of the Trustee, officer, employee, or agent is proper in the circumstances because he/she has met the applicable standard of conduct set forth in such section. Such determination shall be made:

- a.) By the Board of Trustees by a majority vote of a quorum consisting of Trustees who were not parties to such action, suit or proceeding; or
- b.) If such a quorum is not obtainable, or even if obtainable, if a majority vote of a quorum of disinterested Trustees so directs, by independent legal counsel in written opinion.

5.1.4 Mandatory Indemnification

Notwithstanding any contrary provision of these Bylaws, to the extent that a Trustee, officer, employee, or agent of the University has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in either Section 5.1.1 or 5.1.2 of these Bylaws, or in defense of any claim, issue, or matter therein, he/she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection therewith.

5.1.5 Advances

Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the University in advance of the final disposition of such action, suit, or proceeding as authorized by the Board of Trustees in a

specific case upon receipt of an undertaking by or on behalf of the Trustee, officer, employee, or agent to repay such amount if it shall ultimately be determined that he/she is not entitled to be indemnified by the University as authorized in this article.

5.1.6 Scope

The indemnification provided in these Bylaws shall not be deemed exclusive of any other rights to which a person seeking indemnification may be entitled under any agreement, vote of disinterested Trustees, or otherwise, both as to action in his/her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Trustee, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of such a person.

5.2 Insurance

The University shall have the power to purchase and maintain insurance on behalf of any person who is or was a Trustee, officer, employee or agent of the University, or is or was serving at the request of the University as a Trustee, director, officer, employee or agent of another non-profit corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against any liability asserted against him/her and incurred by him/her in any such capacity, or arising out of his/her status as such, whether or not the University would have the power to indemnify him/her against such liability under the provisions of these Bylaws.

5.3 Modification

The duties of the University to indemnify and to advance expenses to a Trustee or officer provided in this article shall be in the nature of a contract between the University and each such Trustee or officer, and no amendment or repeal of any provision of this article shall alter, to the detriment of such Trustee or officer, the right of such person to the advance of expenses or indemnification related to a claim based on an act or failure to act which took place prior to such amendment, repeal or termination.
